Five Star Products, Inc. announces the appointment of Peter D. Moran to serve as Vice President & Global Commercial Director

Shelton, CT, July 30, 2018 – Five Star Products, Inc., has appointed Peter Moran to serve as the company's Vice President & Global Commercial Director. Mr. Moran most recently served as Vice President & General Manager at RSCC Wire & Cable LLC, a Berkshire Hathaway Company.

In that position he was responsible for the Exane & Fire Safety business segments. He had overall responsibility for RSCC in the Fire Safety, Mass Transit and Industrial cable markets, led a staff of 120 people, and guided sales initiatives for each business segment, developing forecasts and ensuring profitable growth. Prior to that role he served as Director, Sales & Marketing with the Fire Safety Group.

Mr. Moran will contribute to the Five Star Products executive management team, overseeing all aspects of the company's commercial strategy, direction and execution. He will be responsible for driving profitable growth both through strategic direction and execution with the sales, marketing and R&D teams. He will report to Michael Harvey, CEO.

“Peter brings a proven record of facilitating business relationships with both customers and industry leaders which are assets to his new role with us at Five Star Products. His ability to meet and exceed business initiatives makes him an excellent match for our team as we accelerate our industry leadership with continued solutions and excellence in service to our customers,” said Michael Harvey.

Mr. Moran holds a Bachelor of Arts in Political Science and History from the University of Massachusetts.

About Five Star Products, Inc.: Five Star Products, Inc., family owned and operated since 1955, is a worldwide provider of high performance, versatile, non-shrink cement and epoxy-based construction grout and concrete repair solutions for use in the industrial, commercial, infrastructure and marine markets. The company's product line includes high-performance cementitious and epoxy machine grouts, concrete repair and restoration products, chemical resistant coatings, and waterproofing products sold under the Five Star® brand.
